Finding Library Resources Online

Login to **iCity** https://icity.bcu.ac.uk using your Birmingham City University Network Username and Password.

L&LR iCity

On the red library tile click on the Expand arrows ⬙ at the bottom right of the tile. Then click on the **Links** tab on the top menu.
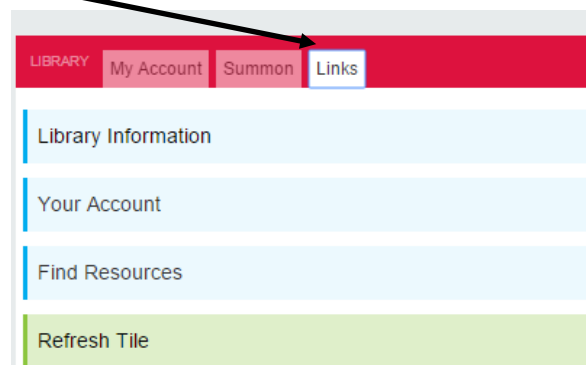

Click on **Find Resources**

Use *Summon* to search for books and journal articles etc.
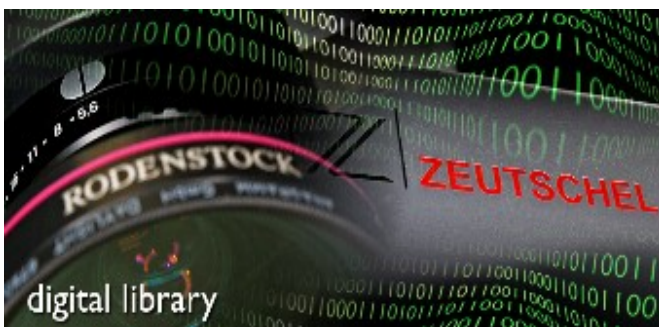

Search the library catalogue to find books held within BCU libraries. You can also manage your library account from here and place reservations.

Click on *A to Z Resources* to access our databases.

If you know the title of an eJournal you want to view or you want to browse eJournals in your subject area, click on **A -Z of Journal Titles**

The **Digital Library** provides access to past Exam Papers, Student Projects and other tutor recommended course materials.

Not sure where to start or can't find the resource you need? Our staff are available to help. **Libr@ry Help** http://libanswers.bcu.ac.uk
